

## 2022 PUNTA CANA TERMS AND CONDITIONS

This is an incentive trip reserved for those who have a lifetime rank of Ruby and Above. Anyone can sign up but must be ranked Ruby or above by March 22nd or we will have to cancel your registration and place you on a waiting list until you achieve the rank of Ruby.

This event is non-transferable. You may not transfer registration for this trip to any other account, including your spouse's. Trips may not be "gifted" or used by someone other than the registering Member, and you may not send someone in your place if you are unable to attend.

After registering, if you need to change the guests you registered, you may do so until Thursday, May 12th with no extra fee. No guests will be able to be changed after May 12th (the registration deadline).

Reimbursement will only be made to the account upon which the trip is registered.

The primary Account Holder, and all registrants in their party, must attend the trip to qualify for reimbursement. Reimbursements will be made following the event upon confirmation of attendance. Qualification percentages are based on double occupancy pricing. If you register as a single, an additional fee will be applied to offset the cost of the room.

Members who qualify for less than the full amount of their stay will pay for accommodations during the registration process. Yoli will reimburse the Member within three weeks after the trip through the normal commission process.

Airfare is not provided by Yoli and must be purchased by each attendee.

Maximum amount able to be earned for a single registration is 100% or \$1300 USD, whichever is less. Single registration is defined as paying for one adult on your account, regardless of whether or not you room with someone.

The maximum amount able to be earned for a double registration is 200% of the amount paid, or \$2,600 USD, whichever is less. Double registration is defined as paying for two adults on your account.

The Incentive Trip may be earned on any qualifying Member's account, provided that the account is active and in good standing. Reimbursement will be made to the account through which the trip was registered but is limited by how the trip was paid for.

A valid passport is required to attend the trip to Punta Cana and it must be valid for at least 6 months after your trip.

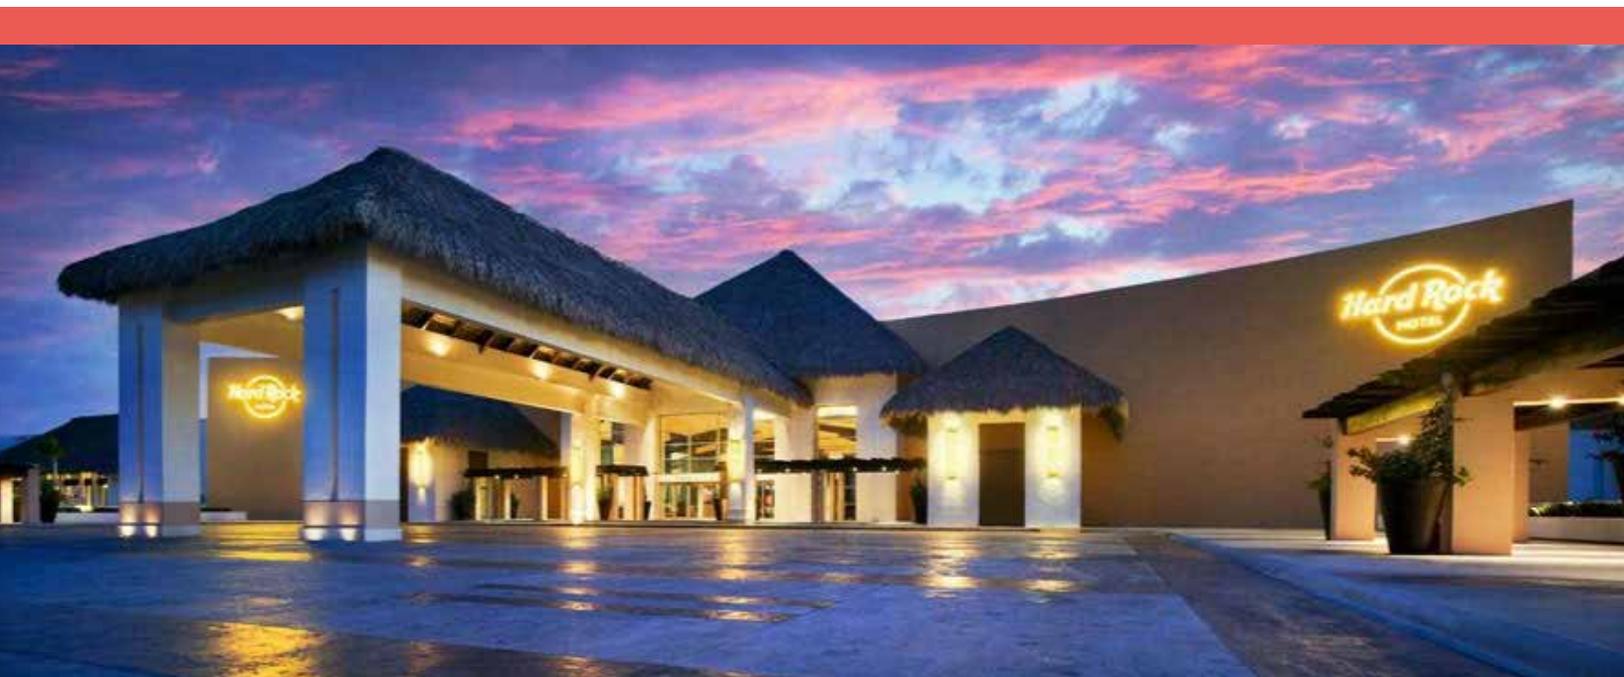

No attendees will be permitted into the Yoli private events if they are booked directly with the resort, only those who purchase their trip through Yoli will be permitted to attend. Travel insurance is not included. It is recommended (but not required) that attendees purchase their own travel insurance.

Yoli will provide transportation for attendees to and from the Punta Cana International Airport (PUJ) and the Hard Rock Punta Cana, as long as you register directly with Yoli. To take advantage of this included service, attendees must submit their flight information for their arriving and departing flight to [events@yoli.com](mailto:events@yoli.com) no later than 5 PM MST on Thursday, May 12th, 2022. If flight information is not submitted by the deadline Yoli will not provide transportation for the attendee, and it will be the attendee's own responsibility to secure and pay for their own transportation to and from the airport and resort.

By registering for, and attending any Yoli event, the attendee voluntarily assumes all risks and dangers incidental to attending the Yoli Sponsored Event, whether occurring prior, during, or after the Event. This includes actions, omissions, or negligence of others (including attendees, Yoli staff, other service providers, or the venue). By registering for, and attending a Yoli event, the attendee voluntarily assumes all risks of any injury, disability, death, illness, damage, loss, claim, liability, or expense of any kind. Please remember, an inherent risk of exposure to COVID-19 exists in any public place where people are present. By registering for and attending this event, all Yoli members and registrants in their party voluntarily assume all risks related to Covid-19 and agree to follow all safety guidelines.

To view the safety measures being taken by the Hard Rock Hotel, please view their website [HERE](#). The hotel will provide two complimentary antigen tests per room, additional tests must be purchased by the attendee for \$50 USD.

To view the CDC recommendations on travel to the Dominican Republic, see their website [HERE](#). This program is for US, Canada, and Philippines, Members only and is non-transferable and has no cash value. Registration is limited to one per account.

Please note that a maximum of 200% (the amount for 2 adults) of the trip is reimbursable under the program. You must attend the trip in order to be reimbursed. This incentive trip is considered taxable compensation on a 1099 or equivalent.

## **QUALIFICATION DETAILS**

This trip can be earned on any Member's account. Eligibility will be determined according to the account through which the trip was registered. Please read through the following examples to better understand how eligibility works:

### **Registering alone, attending alone**

If you sign up as an individual and attend as an individual, you can receive up to 100% of the trip. Even if you qualify for more than 100% of the trip, the maximum reimbursable amount is 100% of what you paid if you attend alone, up to \$1300 USD.

### **Registering as an individual, attending as an individual**

If you register alone on your account but attend with someone else, you will only be reimbursed up to 100% of what you paid on your account.

If, for example, you and your spouse go together and you pay on your account while your spouse pays on his/her account, you can only be reimbursed what you qualify for, up to 100%. To clarify, if you qualify for 50% and your spouse qualifies for 200% and you each registered on your own accounts, you would be qualified for 50% and your spouse would be reimbursed 100% (your spouse would be capped at 100%, as s/he signed up alone.)

### **Registering two people together**

If you register for you and a guest on your account, and you both attend the event, you can be reimbursed up to 200% of what you paid on your account up to \$1300 USD per adult.

If, for example, you and your spouse register on your account and you earn 200%, you will be reimbursed for 200%. On the other hand, if you and your spouse register on your account and you qualify for 150% while your spouse's account qualifies for 50%, you will only be reimbursed 150%, as the registration was completed on your account. The two accounts cannot be combined. Please note that a maximum of 200% (the amount for 2 adults) of the trip is reimbursable under the program. You must attend the trip in order to be reimbursed. This incentive trip is considered taxable compensation on a 1099 or equivalent.

This program is for US, Canada, and Philippines, Members only and is non-transferable and has no cash value. Registration is limited to one per account.

## QUALIFICATION PERIOD

• The qualification period for this event is from 1/15/2022-5/6/2022

## HOW TO EARN:

**New Rank as Diamond - 200%**

Start Date: 1/15/22

End Date: 5/6/22

Anyone who has never achieved the rank of Diamond or above prior to the contest will receive 200% if they rank to Diamond or above for the first time

**New Rank Advancements within Diamond Structure 200%**

Start Date: 1/15/22
