

YOUR GOAL & WHY

Now that you've started, where do you want this to go?

MY STARTING GOAL AND PATHWAY

CHOOSE YOUR STARTING GOAL

There's no one right way to build this. Pick what would make a difference for you right now. Your goal can grow as your confidence and skills grow.

- ☐ Pay for my products
- ☐ Earn a few hundred dollars a month
- ☐ Build meaningful part-time income
- ☐ Explore replacing some or all of my income
- ☐ I'm not sure yet. I want to learn and see what fits

MY PATHWAY

Choose it with your sponsor.

- ☐ **Customer First:** 10 customers in my first 30 days
- ☐ **Builder:** 5 customers and 2 Brand Partners in my first 30 days, then help my 2 do the same

MY PATHWAY

MONTHLY INCOME GOAL \$ _____

WEEKLY HOURS _____

TOTAL MONTHS _____

MY WHY

Pick all that are true for you.

- ☐ More time with the people I love
- ☐ Helping my parents or family
- ☐ Breathing room in our budget
- ☐ Feeling my best and sharing it
- ☐ Paying off debt
- ☐ Building something that's mine
- ☐ Saving for something big
- ☐ Giving more to causes I care about

IN PRESENT TENSE, LIKE IT'S ALREADY TRUE

A why can be small:

“I'd love to earn enough to pay for my products and take my grandkids somewhere fun every month” counts.
